SWEAH

SWEDISH NATIONAL GRADUATE SCHOOL FOR COMPETITIVE SCIENCE ON AGEING AND HEALTH

What?

The Swedish National Graduate School for Competitive Science on Ageing and Health, SWEAH, will host a conference focusing on multi- and inter-professional research on ageing and health. Submissions will report original research, papers in progress, thesis work, planning of or project development/evaluation and other presentation forms related to ageing and health.

Why?

The SWEAH conference is an interdisciplinary arena devoted to research in the field of ageing and health. The conference provides the opportunity to strengthen the network within SWEAH, to present and discuss projects and to mingle and create contacts for the continued career. Participants will also have the opportunity to learn about the latest trends and developments from experts and researchers in ageing from around Sweden.

Who?

The conference is aimed for people engaged and affiliated with SWEAH, i.e. PhD students, postdoctoral fellows, supervisors, partner representatives and board members within SWEAH.

When?

October 22-24, 2019

Where?

The conference will take place at the Elite Hotel Ideon, Scheelevägen 27, Lund.

How?

Register by link <https://forms.gle/zZgCaWKio4mpW4VZ6> as early as possible but before August 23, 2019. Please note that the number of conference participants is limited so don't hesitate to register if you already know that you will and can participate.

Price?

The conference is free of charge and includes two conference lunches, two social dinners, coffee and refreshments for all participants. For PhD students, travels are covered by the SWEAH annual allowance while accommodation is included. In addition, SWEAH covers travels and accommodation for postdoctoral fellows, supervisors, partner representatives and SWEAH board members.
